

hi there

I am little mad at sorensen cuz i use i 2 eye so i want to use ph number not ip address. but i tired to use ph number through to sorensen. but sorensen wont let me use ph number. so sorensen ucan u se ph number through i 2 eye but i 2 eye wont throught by ph number and must use ip address but i think it is not fair to sorensen. i think sorensen should let i 2 eye use ph number not ip address. thank you carol
